

**REMARKS**

The present application has been carefully studied and amended in view of the outstanding Office Action dated May 20, 2005, and reconsideration of that Action is requested in view of the following comments.

A petition for a three-month extension of time accompanies this response together with the appropriate fee. Accordingly, the deadline for responding to the Office Action has been extended until November 21, 2005 (November 20 being a Sunday), and this response is therefore timely filed since it was deposited in the mail for First Class Delivery Service on the date certified on the front page hereof.

The subject matter of allowable claim 16 has now been incorporated in claim 1, and all of the remaining claims depend from amended claim 1 either directly or indirectly. Moreover, claim 1 now defines the recited "fine structure" with specificity.

The application is now believed to be in condition for allowance, and notice to that effect is respectfully requested.

Respectfully submitted,

By Richard M. Beck
